

Eduskills Technical & Occupational Skills Training

Eduskills Technical & Occupational Skills Training LLC (Pre-Qualification Profile)

EDUSKILLS TECHNICAL & OCCUPATIONAL SKILLS TRAINING

ABOUT COMPANY

EduSkills offers specialized ISO training programs and customized technical training tailored to client needs. With a focus on quality and cost-effectiveness, our experienced team ensures effective knowledge transfer through interactive sessions and practical demonstrations.

Based in Dubai, EduSkills offers top-notch technical training programs across various industries, with approvals for all 7 Emirates. With branches in Abu Dhabi and online classes available, we extend our professional training services globally, reaching more individuals and organizations.

Our highly certified trainers have in-depth knowledge and industry experience creating a great learning experience & environment for students helping them achieve better results. We provide food safety trainings, health & safety trainings, management trainings, environmental trainings, ISO training & consultancy.

GM MESSAGE

We believe that education is not just about acquiring knowledge but also about empowering oneself to reach new heights and achieve personal and professional success. At our training institute, we are committed to your career development and are dedicated to providing you with the tools and skills necessary to excel in today's dynamic and competitive world.

VISION

To provide International standard trainings to our privileged clients with an assurance that our trainings are globally recognized, approved and authentic.

MISSION

To enhance the overall knowledge bank of our workforce through delivering most appropriate and industry relevant information which they can practically demonstrate in their respective roles and line of action.

CORE VALUES

- Design and deliver professional information which is user friendly, task specific and formulated keeping in view practical real time scenarios.
- Training delivery through professional approach of core training methodologies, techniques, discipline & ideology to seek justified optimum output of investment against knowledge and competence.
- > Optimum level of in-house training package designing, its screening and validation prior to launching commercially or get enlisted in our course offerings.
- Professional delivery of our training courses to achieve customer satisfaction and maximum learning of our target audience.
